As seen in SMS	Meaning
WORK IN PROGRESS	The CoS is still in 'draft' form as one or more mandatory details have yet to be completed.
READY TO GO	All mandatory fields are complete and the CoS is ready to be assigned to an individual.
ASSIGNED	The CoS has been assigned to an individual and is ready to be used in support of an application for leave to enter or remain.
WITHDRAWN	You have used the 'Manage live CoS' function to withdraw the CoS.
USED	The CoS has been used in support of an individual's application for leave to enter or remain.
EXPIRED	EITHER: The individual has not made an application for leave to enter or remain by the expiry date of the CoS. A new CoS is required; OR: The individual has applied by the CoS expiry date but we have not considered their application before that date. In this case, no action is required on your part; we will change the status of the CoS from EXPIRED to USED when the application is considered.

Guide 1: How to report individual migrant activity

Follow the step by step instructions below to search for a CoS and report migrant activity, including withdrawal of sponsorship from a migrant. This function is essential to fulfil your duties as a sponsor. Use this function to notify us of a migrant's activity, for example, the migrant has been delayed and has not entered the UK, or you are no longer sponsoring the migrant.

Please note, Level 2 users can only report migrant activity for CoS that they have personally created and assigned, or for CoS which have been transferred to them.

You should read the [guidance for sponsors](#) before reporting migrant activity.
