OUR SERVICES

Compliance Outsourcing (BIPs)

Employing foreign workers can make all the difference to your business. If you lose part of your workforce for what ever reason then your business could really suffer. If you mistakenly employ someone or a group of people without the correct permission to work in the UK, then you could receive a large civil penalty and damage your business reputation as a result. Why take the risk? Get to grips with your responsibilities now by outsourcing all or part of them to us. Don't run the risk of damaging or losing your business.
